**Romantic Beach Resorts**

**BRANDIS STINSON, Montenegro**

*It isn't the beach that draws people here, it's the chance to stay in a 15th-century island fishing village, masterfully restored as only Anan can do it. I love the spa complex, which has a private beach in front of it. So romantic.*

**How to Save Africa's Great Beasts on Safari**

**North Island, Seychelles**

*This is the ultimate private island resort, with just 2 accommodations and four equally beautiful locations on the island. The villas are enormous—they each have a pool, but the best is a private beach with a lounge chair and an umbrella. One of the best kept secrets is that there are no set meal times or menus. You simply tell the chef what you like to eat, and he will prepare it for you. There’s also 24/7 service from your villa—nothing is too much trouble.”*
