These are the most beautiful hotels in India’s Rajasthan

26 March 2018

In Bed With travel photographer Rhiannon Taylor shares five highlights from her trip to India’s Rajasthan.

Rajasthan is a hotel lover’s paradise. Whether you’re on a journey to see one of India’s endangered Bengal Tiger’s, want to unwind with an Ayurvedic spa treatment or immerse yourself in the vibrancy of India’s culture; there’s a Maharajah’s Palace or Haveli to check in to that will leave you enchanted and bewitched with Rajasthan.

Raimahal Palace

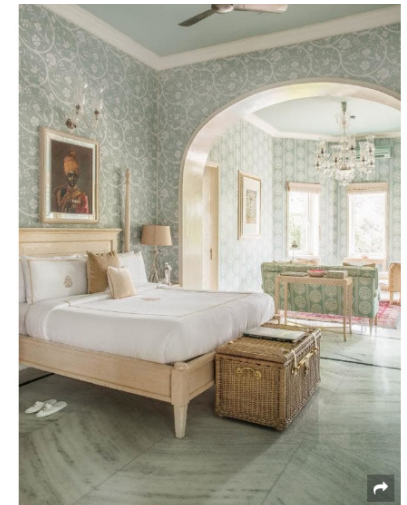

One of India’s most Instagrammable hotels, Rajmahal Palace is a quirky boutique hotel that has played host to royals and celebrities alike.

Owned by the royal family in Jaipur, this palace isn’t afraid of colour.

Sitting on plush grounds that are perfect for a spot of croquet and afternoon tea, Rajmahal Palace has a Wes Anderson aesthetic down to a tee.

Rooms are all unique and The Queen Elizabeth II suite is aptly named after her majesty from her stay in 1961 during a visit to Rajasthan with the Duke of Edinburgh.

Framed photographs of the royal couple sit serendipitously on the mantelpiece and it comes with its own grand dining room, which is the perfect spot to take breakfast room service.
