WORLD'S MOST COLORFUL WEDDING VENUES

SUJÁN RAJMAHAL PALACE

- 4 of 14 --

Where: Jaipur, India

The 1720s palace of Jaipur's royal family is now a brand-new 30suite jewel box of a hotel. Papered in 48 different historically
inspired motifs, rooms feature intricate patterns in shades ranging
from bright blue to magenta. The walls set the luxe scene, but
floor-to-ceiling mirrors and crystal chandeliers definitely play a
part, too. So do the tropical gardens, where up to 300 guests can
begin a balmy Indian night with a ceremony and cocktails,
followed by a feast on the 2.5-acre lawn.

Book It: Weddings must book the entire hotel (inquire for venue and meal rates), room rates from \$530 a night, sujanluxury.com.
